## Cat In The Attic

A few months ago we received a call from a concerned citizen stating they had a cat trapped in their attic. Our Feral Cat Coordinator responded in a heartbeat! After setting a trap and providing some tasty morsels, the hungry cat was caught and safely removed. Once in a calm home she was found to be friendly - and chipped! Thanks to the quick thinking of the citizens and the response time of our coordinator, Miss Bella is back safe where she belongs.

Our long stay pup Miss Margo gave everyone quite the scare after it was found she had been munching on rocks. A very big **THANK YOU** to all of our bakers and corporate sponsors for helping us host the Munchies for Margo bake sale, and a huge thank you also to everyone who visited and helped make it such a success, raising over \$1200 for Margo's vet bill. Margo is now healed and back in action waiting for her forever home! Interested in her or one of our other adoptable pets?

# fosters Needed!

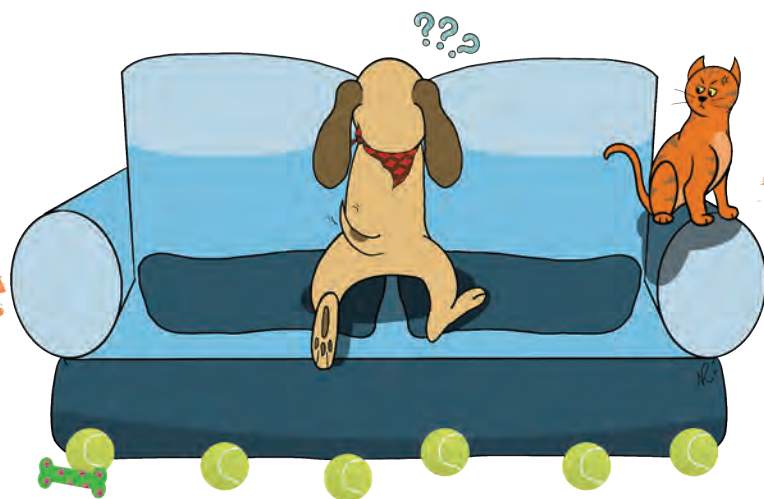

Meet Cash, one of our many foster parents - or so he thinks! This giant great dane is an excellent foster dad to the many foster kittens that come through his door. Foster homes are always in high demand for just about any rescue organization. Without foster homes, Las Vegas Valley Humane Society would not be able to help save close to 500 animals per year.

**Foster homes are needed for both dogs and cats of all ages!**

Apply to foster at:

**Words from a Dog**

You can give me 6 tennis balls and I'll still want the one I dropped behind the couch.

**Words from a Cat**

All guests must be approved of by the cat. No exceptions. Guests that are deemed unworthy will be judged harshly from afar.
